KUDOS FROM A JAYME’S FUND BOARD MEMBER
Working with the SNHU students and other young adult volunteers is so inspiring! It’s amazing to witness people so early in life experiencing the gifts of generosity, the feeling of community, their own creativity and their growth as young adults. Recently, I felt this way working side-by-side with these volunteers at the JFGC. Kudos to all of you!

MESSAGE FROM A JAYME’S FUND VOLUNTEER
“...My involvement with Jayme’s Fund began 4 years ago when I was a freshman at Southern New Hampshire University. I wanted to do some volunteer work and gain experience writing. SNHU put me in touch with Caren who was able to provide me with writing opportunities. I continue to volunteer here because I have been touched and inspired by Jayme’s Fund, and I strongly believe that the impacts on the community make a difference.

Personally, I connected with Jayme’s story and the mission of Jayme’s Fund because I have similar interests as Jayme including writing, human rights, and music. Jayme’s Fund gave me great opportunities to practice my writing abilities. As a freshman in college, I was given a rewarding responsibility to edit the Jayme’s Bears Book, work on creative writing projects, and be in charge of the winter newsletter. Currently, I serve on the advisory board and am involved in various projects. Jayme’s Fund, not only inspires people to get involved in their communities, Jayme’s Fund specifically gives students meaningful opportunities. Caren believes that young people can make a positive impact on their communities as her daughter did and continues to do through Jayme’s Fund. I am an example of that, and am glad that I’ve had the chance to be a part of this cause!”

FUNDRAISING REQUEST FROM CECILY!

For the past year and a half I have had the honor to be a part of Jayme's Fund for Social Justice, as a work-study student through Southern New Hampshire University. Since I have been working for Jayme’s Fund, I have learned about and assisted with administrative tasks, fundraising, social media development, served on the advisory board and participated in one of my favorite responsibilities, The Jayme’s Bears Project! As I approach my final semester at Southern New Hampshire University I would like to give something back and make a significant impact for Jayme’s Fund.

Our annual January Jaunt snowshoe hike will take place on January 24th, 2016 in Hollis, New Hampshire.

Would you consider supporting the event by sponsoring my participation? I hiked last year and it was great to be a part of this event.

My sponsorship goal for the January Jaunt is $700.00. All donations can be made through our website at http://www.jaymesfund.org/jf/make-donations/. Select the event sponsorship button. After you make your donation, designate the donation in the drop down box Cecily's Sponsorship for January Jaunt.

Jayme’s Fund for Social Justice and I so much appreciate your donation!

Thank you for your generosity.
